# Our Simple Funeral package.

**£1675.00** not including fee to crematorium, Doctors or Officiant.

We will provide you with only the essential services required to proceed with a funeral service. This package is designed for families with a budget to allow for a dignified funeral service without any additional costs.

## Funeral Director's charges included in the package.

- Personal attention.
- Arrangements, administration and co-ordination.
- Arrangements of all documentation.
- Transfer to our private Chapels.
- Care and preparation of the deceased.
- Provisions of Hearse and Chauffeur.
- An oak effect coffin.
- Floral tribute for coffin — small mixed floral arrangement.

## Disbursements we will arrange.

- Crematorium fees.
- Officiant fees.
- Doctors fees for cremation

These charges are added to the Funeral Director's charges and will be itemised on the final account.

We will not provide or arrange any other service, helping to keep the costs to a minimum.

Extra charge of £50.00 for deceased to be dressed in own clothing.

# Direct cremation.

**£1595.00** fully inclusive

This is the simplest and most cost-effective funeral option.

A direct cremation is becoming a very popular alternative to a traditional funeral service.

The coffin is taken directly to the crematorium.

No funeral service takes place.

No Minister or Celebrant will take a service.

No family or mourners to attend.

## What's included:

Our professional charges for all arrangements in accordance with the family or Executors' instructions.

Preparation of all documentation, related forms, and liaison with the crematorium.

Transfer of loved one to our funeral home and transfer to the crematorium.

Provision of a simple coffin suitable for cremation.

Cremation fee. Doctors cremation certificates.

Cremated remains to be returned in a biodegradable container.

Full cost is payable in advance.

Extra charge of £50.00 for deceased to be dressed in own clothing.

# A Tailored funeral - From £1970.00

Not including disbursements, third party costs and any personal choices.

Professional services and arrangements, including transfer of the deceased into our care.

Provision of Hearses from address if required.

Limousines can be provide at an extra cost.

Choice of coffin (from 450.00) to include traditional veneered oak, wicker/seagrass, colourful coffins. Please see our coffin brochure.

Use of Chapel of Rest for visiting. Deceased can be dressed in own clothes as per family request .

Choice of Officiant.

Date and time to suit the family (subject to third party availability).

To help plan the funeral service you want, we offer a tailor-made funeral service. This includes everything you require to create a dignified and personalised funeral. During the arrangement meeting we will discuss all options and offer services accordingly.

The additional services we can offer vary in cost. Please see a full breakdown of charges and service in this brochure. If you have a requirement that is not listed please ask your funeral arranger and we can arrange and advise as per wishes.

We will guide you through the prices and a written estimate of charges will be given following the arrangement.

The disbursements and third party services will be discussed at the arrangement and a cost will be given or a best estimate in writing in advance of the funeral.

A deposit of disbursement costs is required before the funeral.

A schedule of costs is in this brochure (please see over).
